Primary reflection and self-assessment strategies

Think about what you have learnt and complete the following sentences.
I used to think… _______________________________ _______________________________

But now, I think… _______________________________ _______________________________

(Strategy from Harvard Visible Thinking)

How many smiles do you give yourself for your work? (Circle below)

How much fun did you have?  1 ☺  2 ☺  3 ☺  4 ☺  5 ☺  6 ☺  7 ☺  8 ☺  9 ☺  10 ☺

How hard did you work?  1 ☺  2 ☺  3 ☺  4 ☺  5 ☺  6 ☺  7 ☺  8 ☺  9 ☺  10 ☺

How much did you learn?  1 ☺  2 ☺  3 ☺  4 ☺  5 ☺  6 ☺  7 ☺  8 ☺  9 ☺  10 ☺

What is something you learnt in this module that you will tell your family about?

______________________________ ________________________________

______________________________ ________________________________

What is something you learnt in this module that you won’t tell your family about?

______________________________ ________________________________

______________________________ ________________________________
Two stars and a wish
What two things did you do well during this module? What was one thing you could have done better?
